W. A.G.S. Activities Subcommittee Meeting

October 9, 2022

Meeting opened with a moment of silence followed by the Serenity Prayer.

In attendance was me, Kevin J. and Davina G.

Reading of the last meeting minutes.

We are preparing for the New Years Eve Party and coming up with a theme. We came up with Remember the Times as a theme. Decorations will reflect different eras, like the 1920's, 30's and so on. We also would like to have a dance contest with either homegroup members or individual members, but we need to have some more discussion on that because we want to have the prize be recovery related like literature or basic registration to OCNA convention. And we would like to see everyone come dressed up in an era as well. As we stated in our report last month, we want to do more than just eat, listen, dance and leave. We have more activities in mind, but they will of course be surprises.

Some of the things we discussed was starting earlier, adding more activities to the day. We will need to meet more than once a month so we will most likely use the zoom platform.

We will be asking each area for \$625.00 to put on this event this year along with donations from any group and individual addicts (nothing new there).

We already have the location which is St. Ignatius for \$150.00 and the same DJ for \$200.00. Planning early and having time to plan without rushing helps to have a more successful event. We will be meeting weekly except for the 3rd Sunday of course until there is nothing left to plan.

Loving to serve, loving what I do
